ORDER:

WHEREAS there is a forecast by the Indian Meteorological Department on the possibility of above normal rainfall during the North East Monsoon 2025 and there are multiple incidents of sudden, very heavy to extremely heavy rainfall situations and connected flooding and severe water stagnation are reported at various places.

WHEREAS the Disaster management Act 2005 mandates adequate preparedness which means the state of readiness to deal with a threatening disaster situation or disaster and the effects thereof and also mandates the District Disaster Management Authority, its Chairperson, its Chief Executive Officer, Co-Chairpersons and all members to ensure necessary directions to all the departments, NGOs and everyone connected with disaster to ensure adequate preparedness and as follows.

“33. Requisition by the District Authority.—The District Authority may by order require any officer or any Department at the district level or any local authority to take such measures for the prevention or mitigation of disaster, or to respond effectively to it, as may be necessary, and such officer or department shall be bound to carry out such order.

34. Powers and functions of District Authority in the event of any threatening disaster situation or disaster.—For the purpose of assisting, protecting or providing relief to the community, in response to any threatening disaster situation or disaster, the District Authority may—

- (a) give directions for the release and use of resources available with any Department of the Government and the local authority in the district;*
- (b) control and restrict vehicular traffic to, from and within, the vulnerable or affected areas;*
- (c) control and restrict the entry of any person into, his movement within and departure from, a vulnerable or affected areas;*
- (d) remove debris, conduct search and carry out rescue operations;*
- (e) provide shelter, food, drinking water and essential provisions, healthcare and services;*
- (f) establish emergency communication systems in the affected area;*
- (g) make arrangements for the disposal of the unclaimed dead bodies;*
- (h) recommend to any Department of the Government of the State or any authority or body under the government at the district level to take such measures as are necessary in its opinion;*
- (i) require experts and consultants in the relevant fields to advise and assist as it may deem necessary;*
- (j) procure exclusive or preferential use of amenities from any authority or person;*
- (k) construct temporary bridges or other necessary structures and demolish structures which may be hazardous to public or aggravate the effects of the disaster;*
- (l) ensure that the non-governmental organisations carry out their activities in an equitable and non-discriminatory manner;*
- (m) take such other steps as may be required or warranted to be taken in such a situation."*

WHEREAS in accordance with the said mandate, this Authority orders appointment of Incident Commanders for the five zones (Annexure I) and constitution of Inter-departmental Zonal Teams for each block (Annexure II) of the district who shall be

working under the overall supervision and guidance of this Authority during the Disaster.

AND WHEREAS this Authority directs all the Heads of departments in the district level and all other officials to ensure full preparedness in accordance with the standard operating procedures given by their respective departments and District Disaster Management Plan.
